Dear Paul:

Enclosed is a Confidential Record Sheet on Ernest L. McCaffrey. I doubt whether or not he would affiliate with the Boy Scouts again, but for the record he was arrested for sexual harassment to a waitress where he works. From folks who know him, my report he has a bad temper and uses a great deal of profanity and would not be an appropriate role model in our program.

Thank you. Please don't hesitate to call me if you have any questions.

Most sincerely,

William R. Kephart

CONF014114

To: William Kephart
From: Mike Anderson

Oct. 7, 1987

Oct. 6, 1987 at about 10:00pm, in the parking lot of Northstar Elementary school after Roundtable, Mae Votruba and Bernard Vandyke approached me. Mae said that she had a young ~~man~~ in ~~her~~ pack who had been sexually molested and ask how she should deal with him. She later told me his [REDACTED] had been the molester. I ask her if this had been reported, she said yes. I ask her if the young man was getting treatment or was in counseling, she said yes. I suggested that if the young man was getting help, the situation should not be of great concern to us, other than we needed to be supportive of the young man, that the ~~the~~ Cub Scout program might be excellent in terms of helping develop his self esteem if that was a problem. I suggested we treat him pretty much as we would any other with

and that we not single him out in anyway. She seemed to still have concerns, I suggested she might call Earl Burton, the special needs executive to see if he had any additional suggestions. ~~Mac~~ Bernard Vandyke simply listened to our conversation and ~~but then~~ made no comments. Mac finished by saying that she would call Earl Burton.

Mae Votruba Cm #404

approx. 10:25^{am} - 10:4
Wednesday, Oct 7, 1987

Mae called and ask for my opinion on a situation. I said sure and she asked "What do I do with a sexually abused Scout?" I then asked her to explain the situation.

Mae mention that the Scoutmaster of Troop 8 had recommended a young Scout to be placed as a Den Leader ~~in~~ that had been sexually abused by his father.

Mae is concerned, ~~that~~ Webelos Leader as well, as to whether or not there will be a problem integrating him. I asked if the situation had been dealt with; father removed from the household, etc. She said she thought so but was not sure.

Apparently, the boy is still a active scout and anxious to be a Den Chief.

I suggested she:

1. Go to the SM to determine if the boy is in counseling or whatever therapy was necessary or if he's still at risk.
2. ~~Do~~ Not tell anyone else of the situation at all.
3. If the boy is stable, proceed and place him in a den.

4. If the Webster leader is uncomfortable with the situation - the Scout should not be placed in his Den.

5. Keep me posted as to how it goes

Mae assured me that this would be kept in confidence and she would let me know what she finds out

This statement represents my ^{best} recollection of my telephone call with Mae Votaw of Pack 404. on Wednesday, Oct. 7, 1987 ~~approx~~ approximately between 10:25am and 10:40am.

mae Uotruba (Cubmaster - Pack 404). She
told me that a man named Ernest (she

Later she was told by the Webelos Leader
that Ernest had been accused of sexual abuse
and was awaiting a preliminary hearing.

The conversation mentioned above took place
at the Valley District Leader's Roundtable at
Northstar School at about 8:45 p.m. on October
6, 1987. mae Uotruba can be reached at
